

MLS-Touch®

The MLS in the palm of your hand

The most advanced mobile multiple listing app for agents

Deals are made on the road. MLS-Touch® is a premium mobile app that keeps you connected to listings and engaged with leads and clients from wherever you are.

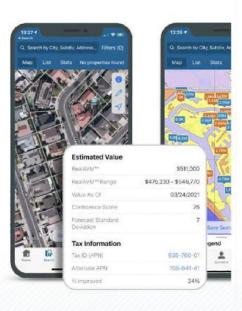

Integrated with the CoreLogic® ecosystem for better agent workflow

Seamless integration with Matrix[™], OneHome[™], and Realist[®] ensure your most important client data is always at your fingertips. Contacts, favorites, sent listings, carts, and saved searches automatically sync with MLS-Touch.

Property insights* are also just a tap away, including parcel boundaries, tax and ownership/occupancy details, likelihood to sell scores, AVM data, flood zone data, and much more.

Features

Powerful Search Tools

With one easy-to-use Smart Search bar you can search listings by address, neighborhood, school district, transit, and more.

InstaView

Point your phone toward a nearby property and get the full listing information instantly.

Hotsheet

Keep an eye on the market with instant access to all new listings, price reductions, and sold properties in the areas of your choice and complete listing and property history.

Market Stats

Manage seller expectations and strengthen your buyer's negotiating position with instant market stats.

Full Listing Details

Access all MLS info including private remarks, showing instructions, commissions, and complete listing and property history.

Instant Comparables

Contact Management

All your client data is tracked in one place in MLS-Touch. Contacts automatically synchronize with Matrix, and suggested listings and client favorites are easily accessed in the contact record.

Brand & Share

Use Brand and Share to create your own branded app and give your clients access to all listings in your market. Easily share suggested listings, and track clients' favorites in MLS-Touch.

Facebook Posts

MLS-Touch automatically posts your new listings, price reductions, open houses, and sold listings to your Facebook business pages.

Membership Directory

Search and connect with your colleagues via SMS text, email, or phone, and see all their listings.

"MLS-Touch is my favorite real estate app. It is so intuitive, quick, and easy-to-use. I use it as much as the actual MLS. It keeps all the data I need—listing data, tax data, agent contact info—right at my fingertips. I love sharing the app with my clients so they can benefit from it as well!"
